ABOUT US

The Nancy Owens Breast Cancer Foundation was founded in 2002 after Nancy Owens, a much loved and well-respected icon in the real estate industry lost her battle with breast cancer. The Nancy Owens Breast Cancer Foundation was formed by a group of her closest friends and colleagues to raise money for breast cancer research in Houston, Texas. Each year, the foundation hosts a luncheon in order to raise money and fulfill its mission. Over the years funds have been donated to the Department of Nanomedicine at Houston Methodist Research Institute, Lester and Sue Smith Breast Center at Baylor College of Medicine, The University of Texas MD Anderson Cancer Center and the Houston Affiliate of Susan G. Komen for the Cure.

Mission

The Nancy Owens Breast Cancer Foundation is organized to fund one or more qualified public charities that supports education, care and research to find a cure for breast cancer, while memorializing Nancy Owens's life, the values she lived by, and the courage with which she faced her bout with breast cancer.
